FROM CONCEPT TO COMPLETION: TURNKEY FABRICATION

10+ years of combined experience in monumental art, architecture and design

>30 completed art and finishing projects

100% of projects delivered full cycle, from concept to installation

Abris LLC turns architectural spaces into **works of art**: mosaics, sculpture, wall panels and art objects for metro and railway stations, cinemas, business and cultural centres

Turnkey decorative finishing: natural stone and marble cladding, decorative panels, bespoke artistic painting

Founded by monumental artist **Maxim Kozlov**, author of mosaics for metro stations in Moscow and St. Petersburg

> “IN AN ERA OF CHAOS AND CHANGE, ART REMAINS ETERNAL.”

Maxim Kozlov, Founder & CEO

“My works are a dialogue between modernity and eternity, where art strengthens architecture, and architecture reveals art.”

2009 Graduated from the Stroganov Moscow State Academy of Arts and Industry

2018 Founded a full-cycle workshop, from sketch to installation

Specialises in the **synthesis of art and architecture:** creates monumental works that become an integral part of public spaces.

Author of mosaics at **7 metro stations** in Moscow and St Petersburg.

Works in **any technique and material**: smalt, glass, ceramics, metal, artistic painting, print.
